

University of Central Missouri (UCM) Child Care Center in Warrensburg, MO, with two locations at Central Village and Foster Knox, was recognized as an Advanced Missouri Eat Smart Child Care in May 2014. On May 6, 2014, Sarah Gaines, Nutrition Consultant, Missouri Department of Health and Senior Services Bureau of Community Food and Nutrition Assistance (MDHSS-BCFNA), recognized the child care centers at the University of Central Missouri for achieving the standards set by the **advanced level** of the Missouri Eat Smart Guidelines. Both UCM Child Care Centers account for the 100th and 101st child care centers in Missouri to be recognized as Missouri Eat Smart and the 50th and 51st to be recognized at the advanced level.
